Dear Community Leaders:

RSU 13 is beginning the process of renewing our Strategic Plan and Vision for Education for all of the schools in the communities in which you serve. We would like to invite you to select a representative from your community who would be willing and able to serve on the committee to create the new plan and vision. We anticipate that the work would involve several meetings of approximately one hour each over the course of FY 2018 after a schedule has been developed.

Your input and insight into the potential for education in our communities is greatly valued and we hope your representative is able to participate. Please contact the Superintendent's Office with your selection and contact information for the Strategic Plan Committee by January 30, 2018. We will then notify them of the first scheduled meeting.

Thank you. We look forward to hearing from you. Please let me know if you have any questions.

Sincerely,

John C. McDonald
Superintendent of Schools
